Premira's revolutionary, patented Slip-Lock™ page system combines the best features of a library-bound album with the flexibility of insertable pages. Slip-Lock™ pages allow you to mount your photographs outside the album cover and insert the page in any order. This exclusive feature gives you unmatched design flexibility and eliminates the possibility of spoiling the album.

- Mount photos outside the album.
- Insert pages anytime, in any order.
- Eliminates any chance of making a mistake.
- Rapid assembly allows for a quick turnaround.
- Design flexibility makes each album unique.
